A contactor must be registered in Hamilton County in order to perform services. This list of registered contactors is provided for your convenience. The names on this list do not constitute an endorsement or recommendation for any one company by Hamilton County Public Health. Maintenance, Monitoring, and Service Providers on this list may perform these services for any system for which they hold a manufacturer certification/qualification and that are installed after December 31, 2004. You should verify these and other credentials before hiring a company.
