CONTRACTOR'S TOOLBOX

Fall 2016-2017

Volume 3, Issue 1

Plumbing Division, HCPH

Medical Gas

As part of a shared service agreement between the City of Cincinnati and Hamilton County, Hamilton County Public Health (HCPH) will begin inspections of non-flammable medical gas facilities and installations beginning October 1, 2016. HCPH will continue to inspect and issue permits in Brown, Warren and Hamilton Counties, as well as the City of St. Bernard. Clermont County has resumed its own medical gas program as of June 1, 2016.

- We will hold incomplete applications for two weeks and then return them to you.
- Don't let incomplete applications hold up your permits!

Office/Mail Applications

- We appreciate your continuing to use our online application service.
- As with online applications, we will hold incomplete submissions for two weeks and then return them to you.
- Please help us to expedite your applications by providing complete information and payment. Don't forget your building permit, drawings and appropriate payments.

Customer Service Online Applications

Thank you for using our online service for submitting applications! Following are some guidelines when working with us online:

- Please be sure you have everything you need prior to submitting your application, including drawings, building permits and payments.

2017 Registration

November 1 is right around the corner, and that's when we'll begin accepting registrations for 2017.

As always, registration instructions and all forms are available on our website:
