Updated December 2018

# **AVAILABLE CESSATION SERVICES**

## **Forest Park, OH**

**The following is a directory of tobacco cessation providers and referral sources located within the City of Forest Park.**

**Tobacco Cessation Providers are medical professionals trained to treat tobacco dependence through a variety of different methods.**

**Tobacco Cessation Referral Sources are community businesses that have taken the time to receive cessation and secondhand smoke educational training.**

**These organizations are a community resource, which offer treatment, education, and referrals to those who seek such information. This is a voluntary commitment where these businesses show true community pride.**
